

# Covalent

## Covalent

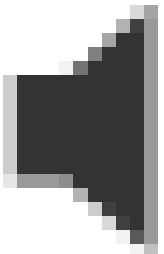

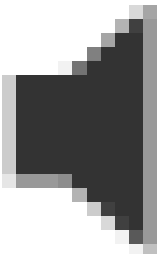

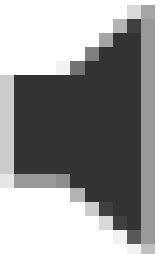

F M

| Stress Pattern           | Number of Syllables | Primary Stress |
|--------------------------|---------------------|----------------|
| co VA lent or CO va lent | 3                   | second         |

- Electron from hydrogen
- Electron from carbon

| Statement  | Instructor's Question  | Student's Question  | Non-Chemistry Usage |
|--|--|---|---------------------|
| Covalent bonds occur when atoms share electrons.   | Is the bonding in sodium chloride covalent or ionic?                                       | Aren't most of the compounds of carbon covalently bonded?                                   |                     |
