

Amines

Amines

F M

Stress Pattern	Number of Syllables	Primary Stress
a MINES	2	second

Statement	Instructor's Question	Student's Question	Non-Chemistry Usage
Nitrogen in organic compounds can form primary, secondary or tertiary amines, but only primary and secondary amides.	Is the basicity of aromatic amines generally greater than or less than that of aliphatic amines?	Could you tell me why amines smell so bad? Their vapor makes the lab unpleasant for everyone.
