

# Mole

## Mole

F M

| Stress Pattern | Number of Syllables | Primary Stress |
|----------------|---------------------|----------------|
| MOLE           | 1                   | first          |

| Statement  | Instructor's Question  | Student's Question   | Non-Chemistry Usage  |
|--|--|--|--|
| A mole contains Avogadro's number of particles.  | Which is heavier, a mole of carbon or a mole of lead?                                      | Excuse me, could you help me figure this out? How many moles of this reagent should I add to get the concentration I need? | Aldrich Ames, the spy, was a mole in the CIA, burrowed underground in that organization like a mole under the lawn. Don't make a mountain out of a molehill! |
