

# Chemical equations

## Chemical equations

Stress Pattern	Number of Syllables	Primary Stress
CHE mi cal e QUA tions	6	fifth

Statement	Instructor's Question	Student's Question	Non-Chemistry Usage
Chemical equations need to be balanced to allow us to think quantitatively about thermodynamics.	What chemical equations describe what you will be doing today in lab?	Would you help me figure out how to use half-reactions to balance these chemical equations?
